OUR COMMITMENT TO SAFETY

• Our pilots are the most experienced in the industry. Even though our minimum hiring requirement is 2,500 hours of total flight time, applicants come to NetJets with an average of more than 6,200 hours of flying experience

• While other companies require annual training, our pilots return twice each year to FlightSafety International®, the world’s pre-eminent flight training provider, for ground school, simulator training, and proficiency evaluations

• We are proud to be the only private aviation company with a team of full-time, FAA-approved, in-house meteorologists

• NetJets was the first private jet operator in the U.S. to achieve Active Conformance status with the FAA’s Safety Management System Voluntary Program
